

COMPANY PROFILE

ABOUT COMPANY

FlameBlock (Pty) Ltd is a proudly South African company specializing in the development, manufacture, and supply of fire-retardant products for various sectors, including engineering, mining, construction, commercial, and industrial industries. As a member of the Advanced Group of Companies, we combine decades of fire suppression expertise with state-of-the-art engineering and design capabilities. Our products are designed to meet global safety standards, ensuring the highest level of protection for our clients. With a robust distribution network, we serve clients both locally and internationally.

OUR VALUES

Innovation:

Pioneering advanced fire protection technologies.

Excellence:

Delivering top-tier quality and service.

Sustainability:

Committed to environmentally responsible solutions.

Safety:

Prioritizing the well-being of people and infrastructure.

OUR VISION & MISSION

Vision

Our vision is to lead the way in fire safety by making advanced, environmentally conscious fire protection accessible to everyone. We aspire to be the trusted name that people turn to for reliable, sustainable solutions that make a real difference in their lives and communities.

Mission

We are dedicated to creating safer spaces for people by designing and delivering innovative, eco-friendly fire protection products. At FlameBlock, we combine cutting-edge technology with a passion for sustainability to protect lives, property, and the environment across industries like construction, mining, and engineering.

FLAMEBLOCK PRODUCT RANGE

FLAMEBLOCK LITHIUM BLACK

- **Overview:** A revolutionary 6-liter fire extinguisher for lithium-ion battery fires.
- **Key Features:** Rapid temperature control, chemical neutralization, and reignition prevention.
- **Applications:** Industrial battery storage, electric vehicles, and renewable energy systems.

FLAMEBLOCK FABRICSHIELD

- **Overview:** High-performance mastic paint paste used with rock wool to create durable fire barriers in construction and industrial applications.
- **Key Features:** Fire resistance, heat transfer prevention, durability, and compliance with fire safety standards.
- **Applications:** Cable protection, fire barriers in walls/floors, and industrial settings.

FLAMEBLOCK PRODUCT RANGE

FLAMEBLOCK WOOL (MINERAL WOOL):

- **Overview:** An insulation material offering thermal, acoustic, and fire-resistant properties.
- **Key Features:** High thermal insulation, fire resistance, and eco-friendliness.
- **Applications:** Building insulation, industrial fireproofing, and acoustic solutions.

FLAMEBLOCK AGRI

- **Overview:** A wetting agent for combating veld fires by enhancing water penetration.
- **Key Features:** Eco-friendly, water-conserving, and effective in fire suppression.
- **Applications:** Veld fire suppression, crop protection, and forestry applications.

FLAMEBLOCK PRODUCT RANGE

FLAMEBLOCK SHIELD

- **Overview:** A fire-resistant coating for textiles, compatible with various materials.
- **Key Features:** Non-toxic, durable, and effective in delaying fire spread.
- **Applications:** Fireproofing curtains, upholstery, and textiles in residential and commercial spaces.

FLAMEBLOCK FIRE DOORS

- **Overview:** Critical for passive fire protection, these doors contain fire and smoke.
- **Key Features:** Fire resistance, smoke containment, and customizable designs.
- **Applications:** Residential, commercial, and industrial buildings.

FLAMEBLOCK PRODUCT RANGE

FLAMEBLOCK FIREBREAK

- **Overview:** Use to treat that overhangs bordering open veld or high-risk areas in an emergency
- **Key Features:** Provides greater control when creating firebreaks, converts to fertiliser after use, non-toxic and safe for the environment
- **Applications:** Open veld and high-risk zones, suburban areas, thatch overhangs and fire-prone vegetat

WHY CHOOSE FLAMEBLOCK?

- ✓ Comprehensive product range tailored for diverse fire safety needs.
- ✓ Environmentally responsible solutions aligned with global standards.
- ✓ Proven track record of innovation and reliability.
- ✓ Dedicated customer support and global distribution network.
